S I R:

Patentees hereby request that the attached Certificate of Correction be issued for the above Patent under authority of 35 USC § 255.

The changes represent correction of obvious typographical errors or errors of minor character that were made in good faith. The changes do not introduce new matter. With respect to the change to column 10, line 32, such a change is supported by the Response filed on January 16, 2002 in which claim 7 recited "a molecular weight of exclusion limit of 5000 to 600000 for globular protein." In the Response filed on January 4, 2004, due to a typographical error, claim 7 was presented as reciting a "molecular weight of exclusion limit of 50000 to 600000 for globular protein," although the claim was never amended after the January 16, 2002 Response.
